

## **T- RACKS Network Cabinets**

Supplied in RAL 7035 grey, the *T- RACKS* Network Cabinets come packed with features and accessories that would normally add 30% or more to the headline price.

Aesthetically pleasing and manufactured in cold rolled steel the cabinets combine solidity with superb value.

Doors and panels are lockable and easily removable for ease of access and manoeuvring. Two sets of fully adjustable 19-inch profiles provide mounting for all standard 19-inch panels and cable management.

These highly featured cabinets take the hassle out of cabinet specification; all the usual requirements are satisfied as standard.

Delivery is usually on pallet to ensure safe transport, but other arrangements can be made to customer requirement. For ease of handling - also available as a flat pack.

Detailed specification is given below (subject to revision from time to time) and further information is available from our sales team.

- ? Comply with ANSI/EIA; RS-310-D; DIN41491; IEC297-2; DIN41494; PART7; GB/T3047.2-92 standards and compatible with 19 inch international standard
